

DEVELOPING AND MANAGING HUMAN RESOURCES

ABM 337

Labor and Personnel Management in the Agri-Food System

3 Credits

Fall Semester

Prerequisites: ABM/FIM 100 or ABM 130 or HRT 404

OPEN only to JUNIORS and SENIORS

EXPLORE the concepts that are changing the face of American businesses today such as team work, empowerment, and changing relations between employers and employees.

LEARN how to:

- Find and select the best people for the job
- Develop an effective training program
- Understand compensation packages and incentives
- Provide a high quality work environment
- Plan discipline and dismissal

PRACTICE what you learn during group work.

MAKE recommendations for improvement at your farm or ag business.

ENHANCE your career opportunities by acquiring a bundle of skills every employer wants in their employees and every entrepreneur needs.
